SENTRICONNECT™ ACCESS

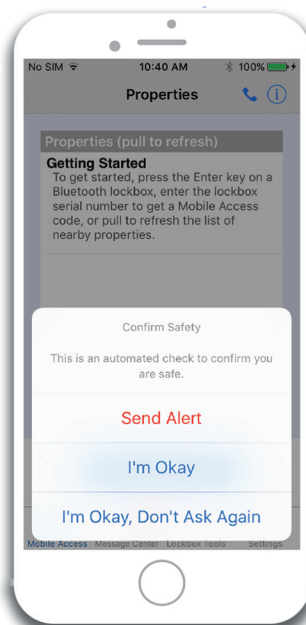

SENTRICONNECT™ ACCESS

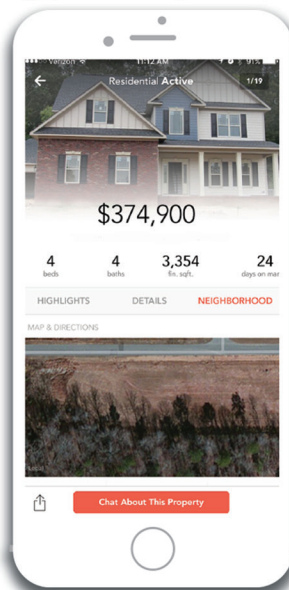

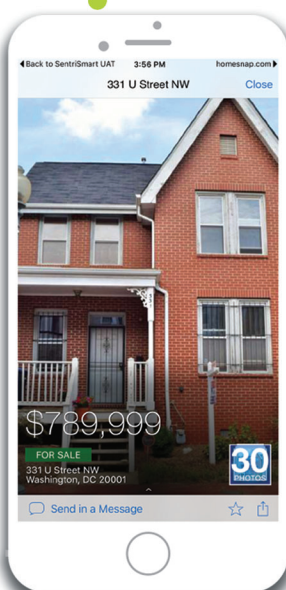

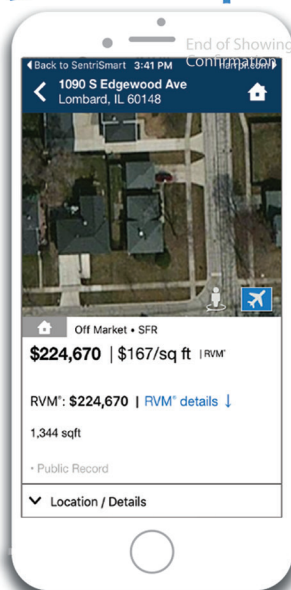

Provide secure temporary access with the SentiConnect™ Mobile App. Now contractors, out of area agents, locked out home owners and others can be granted access through this app to a specific box for a specific time and day. Accesses via SentiConnect™ will send instant notifications to the listing agent. Work safer and more efficient with SentiConnect™.

AGENT SAFETY FEATURE

When using SentiSmart™ to open a lockbox, the Agent Safety Feature will launch. This feature will automatically alert your designated emergency contacts when you do not confirm you are safe.

PROPERTY DATA INTEGRATIONS

Our new SentiSmart™ Mobile application integrations will allow you to transition seamlessly to other apps in order to access all the detailed listing information you need.
